

## Alumni Stadium

Thiel College | Greenville, PA

Following CFB's design of the world's first "FieldTurf" football surface, this product has taken over the artificial turf market. It provides a superior surface for playing football and soccer and is a part of the New Alumni Stadium at Thiel College. This 2,500-seat stadium includes a press box, field house, new fencing, stadium seating - both chair and bleacher style. The new stadium has really given the Athletic Department at Thiel College a wonderful new recruitment tool. The fieldhouse at the stadium entry encloses concessions, ticketing rest rooms and support facilities.
